12 noon – 3.30pm

**Ticket Price: Members £27.50 Non-members £29**  
*(Includes Lunch, Tea/Coffee & Belvoir Cordials)*

Today's lunch will be held in Wood Hall, which is sited within Hill Holt Wood, an environmental social enterprise and registered charity based near Norton Disney. Afterwards we will move into the round theatre to listen to our speaker Katy Roberts from Canine Partners based in Osgathorpe, near Loughborough.

Hill Holt Wood provides a range of services including education – such as the importance of connecting with nature, the provision of space for those recovering from poor mental health, a natural woodland burial site plus education and training programmes to prepare young people for employment.

Canine Partners have been transforming lives by partnering disabled people with amazing assistance dogs for thirty-five years.

They train dogs to bring greater independence and quality of life to people with physical disabilities across the UK. They offer practical help with everyday tasks and provide psychological and social benefits, including increased confidence, social interaction, and self-esteem.

Hopefully Katy will be bringing with her someone who has benefitted from Canine Partners, so that we can hear first-hand how their dog has made life so much better and the things it can do.
